

STA PTG sponsored Spring Gala 2008 April 19, 2008

Make a difference in the lives of our children by supporting our school!

We need everyone's help and participation in making our annual Spring Gala a success.

Gift certificates, monetary donations, big ticket items like laptops, Ipods, Wii and PS3 games, vacation rentals, trips, personal services, your special talents, and anything you can think of that would do well in the live or silent auction are needed! Don't be limited to what you have...ask your friends and families, too!

Most importantly, come and support us on April 19, 2008. Get to know other families, have fun, and bid on a few nice things to take home.

The school needs a gym, building maintenance, new books, and so much more that tuition alone does not cover. Help keep our tuition costs down and bring up the educational resources and superb learning environment our children deserve!
