

## St. Thomas the Apostle School

*A tradition of academic excellence, building a foundation for the future*

Dear STA Supporter:

St. Thomas the Apostle School Parent-Teacher Group will be hosting the Annual Blue and Gold Spring Gala, on Saturday, April 17, 2010. The Spring Gala is our school's biggest fundraising event of the year, featuring a silent and live auction and dinner. We are grateful for any contributions you can donate albeit monetary funding to help offset expenses of our event, gift certificates, or possible auction items.

St. Thomas the Apostle School is a small Catholic school with a strong reputation of offering their students excellence in education, the arts, and athletics. Proceeds from the Spring Gala will be used for updating the educational materials and upgrading our technological resources and computers. We are also in the planning of opening a pre-school next Fall. Your assistance keeps our tuition at a more affordable level, making quality education accessible to more children in our community.

We are currently soliciting items to include in our auctions for the Spring Gala. Your tax-deductible contribution will be featured in both the auction display and catalog, and a complementary advertisement will be included in the event program. We encourage the STA staff, families, and community to patronize the generous donors and supporters of our school.

With economic times being difficult for many people right now, we understand the hardship people face in donating to so many worthy causes being solicited right now. St. Thomas Apostle School thanks you for any assistance or support you can offer us. We hope for your consideration and thank you in advance for your contribution. Your donation will mean so much to the children of our school.

Sincerely,

Melinda Parangan-Chu  
Chair, Spring Gala
